TO: ELEC-TRAK TRACTOR DEALERS  
ELEC-TRAK TRACTOR PARTS DISTRIBUTORS

Attached is a current list of all parts distributors. Yearly stock orders have now been completed and shipped to most areas, and the distributors will be ready to supply your parts requirements for this anticipated early season.

We are naturally most anxious to have the parts flow in an orderly, efficient manner. Please keep us advised through your salesmen of any difficulties in obtaining the Elec-Trak parts, and with the help of these distributors, we will do everything possible to remedy the situation.

If you find one parts distributor is out-of-stock, you may want to check with your next nearest parts distributor to see if he has parts in stock for immediate delivery.

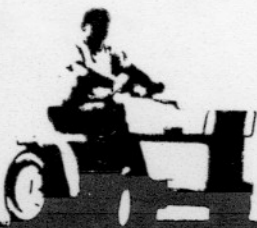

Sincerely,

R. S. Zullo, Manager  
Sales & Service Consulting
