No. 70-12

November 13, 1970

Safety and Housekeeping Award Winners for last month, Group 7, are shown above on left with first prize bouquet. Photo on right shows (left to right) Ray Fisher, Manager-Product Service, Quality and Safety, presenting losers' award to Gregg Crouse, Foreman of Group 4, while Mike Anostario, Foreman of Group 7, receives top award from Ralph Bengtson, Manager-Employee Relations.

Disappearance of Chains and Clamps from vendors' truck has resulted in our being billed \$100.00 to pay for these items. This so called "small pilferage" and the disappearance of other items points out a problem that will have serious consequences for those involved. This sort of situation cannot and will not be tolerated.

We had hoped to avoid making an issue of the "mysterious disappearance" of various items but since such activities can jeopardize the jobs of all, we must bring it to the attention of all. Steps have already been taken to tighten up on security and these will be further accelerated. Those involved will be subject to immediate discharge and prosecution!

Share Fund Enrollment Cards, in a number of cases, have not yet been turned in. Please return all cards to Payroll as promptly as possible.
