A. RICHARD MARTINELLI has joined OPEO as Manager-Product Service. A native of Schenectady, he received his BS degree in Industrial Engineering from Clarkson College in 1959 and has completed several GE courses including the Apprentice Toolmaker Program and the Manufacturing Management Program. Dick has had many different GE assignments both locally and nationally, and comes to us from MAC Motor Department where he was Manager-Renewal Parts Operation.

Dick, his wife, Linda, and one child reside at 11 Gracemore Street, Albany, New York (Westmere).

RICHARD C. CARBIN has joined OPEO as a Specialist in Spare and Renewal Parts. A native of this area, Dick started with GE in 1951 and has held various assignments at the Main Plant. His most recent assignment was as a customer service specialist with the Drive Systems Operation. He is a graduate of the GE Machinist Apprentice Program, the Manufacturing Training Program, and attended Union College.

Dick and his wife and three children reside at Sunnyside Road in Scotia.

NEW NAME TAGS which have been ordered for all OPEO employees have been received and are now being distributed. Those who do not receive theirs should notify their foreman or supervisor who will forward the request to the Employee Relations office. The name tags will be of great help in view of the many new people added to our rolls.

SAVINGS AND SECURITY PROGRAM "Stock Prices" and "Fund Unit Prices" for the first two months of 1971 are as follows:

	<u>"Stock Price"</u>	<u>"Fund Unit Price"</u>
January	\$ 96.994	\$26.374
February	104.645	27.546
