Garden Tractor

73 - 30

November 30, 1973

PAUL E. BRUNSWICK has been appointed Manager of Marketing for OPEO according to an announcement by Bruce R. Laumeister.

Prior to this Paul had been acting manager and will continue to be responsible for all marketing operations for the Elec-Trak Garden Tractor, the I-5 Industrial Tractor and related products throughout the U.S., Canada and Europe.

Bruce and Paul left this morning on an intensive two week sales campaign in Europe. Purpose of the trip, of course, is to expand and improve our European sales position and thereby generate more work for OPEO.

SPECIAL PARKING PRIVILEGES TO CAR POOLS WITH 4 OR MORE OPEO EMPLOYEES

We are all aware of the energy crisis and the need to conserve energy where ever possible. To encourage this, OPEO is initiating a Car Pool Parking program effective immediately. Special "GREEN" parking permits will be issued and will provide reserved parking. This GREEN sticker will be given to all car pool drivers who meet the following qualifications:

1. Drive a registered car
2. Car must carry driver and three or more passengers who work at OPEO

Foremen will have registration forms on Monday, December 3. Forms must be completed and returned to foreman or supervisor if you believe you meet the requirements. Upon verification of the requirements, a green sticker will be issued and a spot reserved for you by the building where you work.

There is no limit to the number of stickers that will be issued as long as the requirements are met. Existing car pools as well as those newly formed will qualify for a green permit.

Do your part to help in the energy crisis!

REVISED BENEFIT PLAN BOOKLETS an information will be distributed to all employees next week. Included in the distribution will be items on insurance, pension and vacations. This information reflects the recent improvements made in the benefit plans.

CONGRATULATIONS TO RUSS LIGHT AND HIS WIFE PAT on the birth of their 6 lb. 13 oz. baby daughter, Holly Christine on November 27, 1973!
