Dear Wheel Horse Dealer,

In June 1974, Wheel Horse assumed service & parts support for Elec-Trak riding mowers produced by General Electric. After 13 years of supporting these products, Wheel Horse will no longer stock parts unique to the General Electric Products (Yellow Elec-Trak line) or provide technical service assistance to repair them.

The enclosed list of Elec-Trak unique parts will be available from Wheel Horse only until October 16, 1987, so order as appropriate. After this date contact the following Elec-Trak dealer for technical assistance and parts purchases:

Technical Service & Parts
7898 Pineview Drive
Ederton, WI. 53534
(608)-868-6220
Contact: Bill Gunn

Time is limited so review your Elec-Trak service part needs. Wheel Horse will continue to supply parts and provide technical support for Wheel Horse branded (Red) battery powered equipment.

Thank you for your cooperation.

Sincerely,

Tim Lutz
