

# GARDEN TRACTOR FACTS

## PERFORMANCE

### Hauling:

300 lb. load in 2 wheel cart up to 20 miles or more.

### Mowing: (on one charge)

52-inch 3 gang reel mower                      4 to 7 acres  
42-inch rotary mower                              2 to 3 acres

### Snow Blowing:

42-inch single stage                      up to six 150 ft. driveways

### Tilling:

Ground breaking and pulverizing up to 10,000 square feet

### Portable Power Tools:

Power drill, hedge trimmer, lawn edger, cultivator, etc. from Power Pack                      15 to 20 hours

### BUILT-IN BATTERY RECHARGE: (from standard 110V household outlet)

Complete recharge                      Approx. 5 hours  
75% recharge                              Approx. 3½ hours  
50% recharge                                Approx. 2 hours

### MODELS:

Model	Weight	Width & Length	Output standard engines of
E 12	795	35"x69"	10 hp
E 15	850	36"x69"	12 hp
E 20	895	42"x69"	14 hp

### SPEED RANGE:

Variable speed from ¼ mph to 7 mph with full automatic control.

### ACCESSORIES:

A wide variety of standard tractor accessories are available. All Elec-Trak attachments can be installed in less than three minutes, removed in seconds. In addition, many 36 volt tools are available which simply plug into the Elec-Trak tractor for instant power.

### SAFETY:

- Single lever speed control for both forward and reverse.
- Driver seat safety interlock—removes power when driver leaves seat.
- Low-inertia mower blades stop within three seconds.
- Front mounted rear-discharge mower discharges underneath tractor, between wheels.
- "Programmed" starting sequence reduces risk of rollover on hills if speed control lever suddenly pushed to maximum speed.
- Very low center of gravity.
- "Human engineered" driver seating, control accessibility.
- Full brake pressure disconnects electrical power.

### WARRANTY: (residential use)

In addition to a one year unconditional guarantee against defects on all tractor parts, the Elec-Trak features a five year battery guarantee. The battery is guaranteed unconditionally against defects for the first two years, with a pro rata charge during the last three years.
