Tractor

## HUDSON ELECTRIC SPRAYER FACTS

### FEATURES ( Model AK70 )

- Safe - quiet 36 volt DC electric power.
- Mounts on rear of small or large frame tractors.
- Plugs into tractor rear P.T.O. (optional).
- Galvanized steel tank holds 12 1/2 gallons.
- Tank has capacity markings with cover and drain plug.
- Piston type pump with stainless steel plunger cylinder.
- Mechanical agitation keeps spray materials mixed.
- Equipped with adjustable spray hand nozzle that will reach high into 20 to 25 foot trees.
- Nozzle attached to 20 feet of hose, so you can spray from the tractor seat or let another spray as you drive the tractor.
- Mounting is provided for Hudson's optional four foot four nozzle boom.
